

## ***Grant Publicity Media Contacts***

*updated 3.4.26*

**Congratulations** on receiving a grant from The Idaho Community Foundation! We've compiled this list of media contacts to help you publicize your accomplishment. Publicity helps build awareness in Idaho communities of your work and ours and can generate interest and further support.

**Please note:** We updated our logo in 2025. Please delete any old logo files and download the new logo from our Grantee Award Website here. Thank you!

**We do our best to keep our media contacts updated, but if you have a new contact to share, please send that to [comms@idahocf.org](mailto:comms@idahocf.org).**

***List of news outlets*** (send to the ones in your local area):

### **East Idaho**

### **Don't Forget! Send us your stories, photos and videos.**

Compelling storytelling communicates to our audiences the importance of supporting projects like yours, so we love to feature stories, pictures, and videos of our grantees in our newsletters, social media, and Annual Impact Report.

If you have a story, pictures, or a video of your grant in action please send to [grants@idahocf.org](mailto:grants@idahocf.org). You can also contribute to our Nonprofit Storytelling Form, a place we routinely access when working with influencers and decision makers to illustrate the important work of Idaho's nonprofit sector. You can contribute to [that form here](#).
