## Idaho Community Foundation awards \$250K+ in eastern Idaho

The Idaho Community Foundation is awarding \$250,000 in support to 47 organizations in Southwest Idaho from its Forever Idaho East program – including to domestic violence programs, senior centers, libraries and more.

Grantees are from Bannock, Bear Lake, Bingham, Bonneville, Caribou, Custer, Franklin, Fremont, Jefferson, Lemhi, Madison, Oneida, Power and Teton counties.

One of the unique aspects of Forever Idaho grants is that they are flexible and can be used for the recipients' greatest needs.

“Our nonprofit partners consistently tell us that their greatest need is unrestricted funding,” said Lisa Bearg, ICF’s senior philanthropic advisor. “We’re proud of Forever Idaho’s hyper-local approach, and the flexibility it provides to these organizations so they can serve the community in the most effective way.”
